The WiMob conference is an international forum for the exchange of experience and knowledge among researchers and developers concerned with wireless and mobile technology. For fourteen years, the International WiMob conference has provided unique opportunities for researchers to interact, share new results, show live demonstrations, and discuss emerging directions in - Wireless Communication, - Wireless Networking, Mobility and Nomadicity, - Ubiquitous Computing, Services and Applications, - Green and sustainable communications and network computing and - Security on Wireless and mobile Networks.

WiMob 2018 will take place in Limassol, Cyprus, during 15-17 October, 2018.

WiMob 2018 is soliciting high quality technical papers addressing research challenges in the areas of wireless communications, wireless networking, mobility, nomadicity, ubiquitous computing, services and applications. Papers should present original work validated via analysis, simulation or experimentation. Practical experiences and Testbed trials also are welcome.

WiMob 2018 will host FIVE parallel symposia, including but not limited to the following topics:

- Wireless Communications (WC)
- Wireless Networking, Mobility and Nomadicity (WNMN)
- Ubiquitous Computing, Services and Applications (UCSA)
- Green and Sustainable Communications and Network Computing (GSCN)
- Security on Wireless and Mobile Networks (SWMN)

IMPORTANT DATES

Papers Submission Deadline: June 15, 2018

Notification of Acceptance: August 15, 2018

Final Manuscripts: September 1, 2018

INSTRUCTIONS FOR PAPER SUBMISSION

Authors are required to submit fully formatted, original papers (PDF), with graphs, images, and other special areas arranged as intended for the final publication.

Papers should be written in English conforming to the IEEE standard conference format (8.5" x 11" - US letter, Two-Column). The initial submission for review will be limited to 8 pages. The final manuscript for publication will be limited to 8 IEEE pages. Additional charges may apply for additional pages.

Conference content will be submitted for inclusion into IEEE Xplore as well as other Abstracting and Indexing (A&I) databases.

Each accepted paper must be presented at the conference by one of the co-authors or a third party.

Only timely submissions through EDAS [here](#) will be accepted.

For more details please visit the WiMob 2018 official website (www.wimob.org/wimob2018).

ACCEPTED PAPERS

All accepted papers will be published in the conference proceedings and will be accessible via the IEEE Xplore Digital Library.
