WiMob

The 18th International Conference on Wireless and Mobile Computing, Networking and Communications.

10-12 Oct 2022, Thessaloniki, Greece .

General Chair
Honggang Wang
University of Massachusetts Dartmouth, USA

General Chair
ABDERRAHIM BENSLIMANE
University of Avignon, France

Executive co-Chairs
Damla Trugut
University of Central Florida USA

Workshop co-Chairs
Mohamed-Slim Alouini
King Abdullah University of Science and Technology (KSA)
Shui Yu
University of Technoogy of Sydney, Australia

Technical Program Co-Chairs
Fabrice Theoleyre
CNRS, France
Francesco Chiti
University of Florence, Italy
Jeff Frolik
University of Vermont, USA
Vinay Chamola
Birla Institute of Technology and, Science Pilani, India

Publication Co-Chair
NGUYEN MINH HUONG
University of Science and Technology of Hanoi, Vietnam

Publicity co-Chairs
Enrica Zola
Universitat Politècnica de Catalunya, Spain
Ronald Beaubrun
University of Laval, Canada
Weizhi Meng
DTU University, Denmark
Altair Olivo Santin
Pontifícia Universidade Católica do Paraná, Brazil

Web master chair
CHAIMAE BOUDAGDIGUE
Avignon University, France

The WiMob conference is an international forum for the exchange of experience and knowledge among researchers and developers concerned with wireless and mobile technology. For eighteen years, the International WiMob conference has provided unique opportunities for researchers to interact, share new results, show live demonstrations, and discuss emerging directions in - Wireless Communication, - Wireless Networking, Mobility and Nomadicity, - Ubiquitous Computing, Services and Applications, - Green and sustainable communications and network computing and - Security on Wireless and mobile Networks.

WiMob 2022 will take place in Thessaloniki, Greece, October 10-12 2022.

WiMob 2022 is soliciting high quality technical papers addressing research challenges in the areas of wireless communications, wireless networking, mobility, nomadicity, ubiquitous computing, services and applications. Papers should present original work validated via analysis, simulation or experimentation. Practical experiences and Testbed trials also are welcome.

WiMob 2022 will host FIVE parallel symposia, including but not limited to the following topics:

- Wireless Communications (WC)
- Wireless Networking, Mobility and Nomadicity (WNMN)
- Ubiquitous Computing, Services and Applications (UCSA)
- Green and Sustainable Communications and Network Computing (GSCN)
- Security on Wireless and Mobile Networks (SWMN)

IMPORTANT DATES

Papers Submission Deadline: June 24, 2022 (Extended)
Notification of Acceptance: July 30, 2022
Camera ready Date: September 15, 2022

INSTRUCTIONS FOR PAPER SUBMISSION

Authors are required to submit fully formatted, original papers (PDF), with graphs, images, and other special areas arranged as intended for the final publication.

Papers should be written in English conforming to the IEEE standard conference format (two-column, 10 pt font, etc., including figures, tables, and references).
The review submissions are limited to six pages, with two additional pages for final papers (additional charges may apply for additional pages).

Conference content will be submitted for inclusion into IEEE Xplore as well as other Abstracting and Indexing (A&I) databases.

Each accepted paper must be presented at the conference by one of the co-authors or a third party, otherwise it will not be indexed and archived through IEEE Xplore.

Only timely submissions through EDAS at https://edas.info will be accepted.

For more details, please visit the WiMob'2022 official website (http://wimob.org/wimob2022) and Facebook page for WiMob

ACCEPTED PAPERS

All accepted papers will be published in the conference proceedings and presented for inclusion in IEEE Xplore Digital Library.
