CALL FOR PAPERS

Call for Short Papers, Posters & Demos

The 21th International Conference on Wireless and Mobile Computing, Networking and Communications
(WiMob 2025) October 20-22, 2025 - Marrakech, Morocco

*** Submission Deadline: July 1, 2025 ***

<http://www.wimob.org/wimob2025/index.php>

=====

WiMob is an international forum for the exchange of knowledge and experience among researchers, developers and practitioners of wireless and mobile technology. For 21 years, the International WiMob conference has provided unique opportunities for researchers and developers to interact, share new results, show live demonstrations, and discuss emerging directions in a number of contemporary topics in wireless and mobile computing. WiMob 2025 is soliciting high quality technical papers addressing research challenges in the areas of wireless communications, wireless networking, mobility, nomadicity, ubiquitous computing, services and applications. Papers should present original work validated via analysis, simulation or experimentation. Practical experiences and testbed trials also are welcome.

*** Topics of Interests ***

WiMob 2025 will host 5 parallel symposia on:

- Wireless Communications
- Next Generation Mobile Networking
- Artificial Intelligence based Communications & Networking
- Blockchain and Cryptocurrency in Mobile Networks
- Trust, Security and Privacy in Wireless and Mobile Networks

A full list of topics for each symposium can be found on the conference web site:

<http://www.wimob.org/wimob2025/cfp.php>

*** Instructions for Paper Submission***

All short paper submissions should be written in English with a maximum paper length of 4 pages. The short papers will be included in the conference proceedings, published by IEEE CS Press (IEEE Xplore) and indexed by Scopus and Ei Compendex.

Participants submitting posters or demos are required to submit a short paper with a maximum length of 2 pages describing the poster/demo content, the research supporting it, and the relevance and importance to the topics of the conference WiMob. Posters and demos will be included in the conference proceedings.

Demo submissions may include an additional 1-page appendix describing the specific contents of the demo that conference attendees would see. Any special technical requirements for the demo should also be

described in this appendix. The contents of this appendix will be used to evaluate whether the demo is a good fit for WiMob 2025, but will not be included in the proceedings.

Accepted papers must be presented at the conference. At least one author of each accepted paper must register to the conference, by the early date indicated by the organizers, and present the paper. During the conference, posters and demos will be displayed or presented in specified sessions. The recommended display poster size is A1 (594mm by 841mm, portrait). Authors are required to submit formatted paper, original papers (PDF), with graphs, images, and other special areas arranged as intended for the final publication. Papers should be written in English conforming to the IEEE standard conference format (8.5" x 11" - US letter, Two-Column).

Only timely submissions through EDAS at <https://edas.info/newPaper.php?c=34110> will be considered.

***** Important Dates *****

Short Papers, Posters & Demos: July 1, 2025

Notification of Acceptance: August 15, 2025

Camera Ready & Author Registration: September 1, 2025

***** Short Papers, Posters and Demos Track Co-Chairs*****

Marica Amadeo, University of Messina, Italy, email: marica.amadeo@unime.it

Valeria Loscrì, INRIA Lille, France, email: valeria.loscri@inria.fr
